

TA10 · Tag Along

Sourcewell
Awarded Contract
Contract # 092922-PTT

Since 1976, Pitts has built trailers for the construction, commercial and forestry markets tough enough for every job and priced to make you profitable.

Pitts Trailers is the world's largest and only complete line forestry manufacturer, moving the forestry transportation market forward with its log trailers, open and closed top chip vans, moving floor vans, and hydraulic elevating trailers with crawler suspension for knuckle boom loaders.
